

My Testimony

The Lord led me to write down this testimony telling you wonderful things he has done in my life. Hope that through this testimony, those who have not yet believed in the Lord may believe and be baptized, born again and be saved, and walk in the path of eternal life. Thank the Lord for his love, his grace, mercy and blessings, all glory to him.

My born again experience

John 3:3,5 3 Jesus answered and said unto him, Verily, verily, I say unto thee, except a man be born again, he cannot see the kingdom of God. 5 Jesus answered, Verily, verily, I say unto thee, except a man be born of water and of the Spirit, he cannot enter into the kingdom of God.

I had my baptism at a church summer camp. Right before my baptism, I had a prayer together with our pastor to commit my life to God, let Him to be the Lord of my life, the King of my life. Right after prayer, I sensed the Holy Spirit coming down from above into my heart, it was very touching. As Apostle Peter says in Acts 2:38 Peter replied, “Repent and be baptized, every one of you, in the name of Jesus Christ for the forgiveness of your sins. And you will receive the gift of the Holy Spirit. At my baptism, I experienced what Bible says receiving the Holy Spirit at baptism which is being born again. That evening, whenever I closed my eyes, I sensed the joy in my heart which comes from the Holy Spirit. Joy is one of the fruit of the Holy Spirit as we see in Galatians 5:22-23 But the fruit of the Spirit is love, joy, peace, forbearance, kindness, goodness, faithfulness.²³ gentleness and self-control. Against such things there is no law. God Bless!

God is kind to the poor

I share a testimony here. One day during the lunch break, I took a walk indoor. I passed by a door, saw a beggar, he opened the door to let people pass, and asked for money. I found this beggar a bit different, he opened the door for people to pass. I had a feeling I should give him one dollar. Later another day when I passed by, I gave him two dollars. then another day, I was thinking to give him seven dollars.

Before I gave him seven dollars, I prepared the coins. I have one two dollars coin and three one dollar coins, that is five dollars, for the rest two dollars, I started adding with five cents first, after all the five cents were added, then I started adding dimes (ten cents), then added quarters (25 cents), I had four quarters, and then I counted again and found that I got five cents more, that is, seven dollars became seven dollars five cents.

I put aside five cents coin, I also put aside bigger coins of five dollars, and counted it again, it was still seven dollars 5 cents, and then counted it again, this time it became seven dollars. I continued counting, it became seven dollars and ten cents, then again became seven dollars, later became seven dollars 15 cents, then became seven dollars again, then I mixed all coins together, counted a few times, it was still seven dollars.

I think this is the surprise the Lord gave me. I gave the beggar seven dollars and the Lord gave me a surprise. Thank the Lord for the surprise to encourage me.

Then another day I decided to give the beggar 70 dollars, and I went to the bank to withdraw 70 dollars. After I got the money and went down the escalator, I saw that beggar passing by, and I gave him 70 dollars. He wasn't at the door, he might want to go home, I saw him passing by and I gave him the money 70 dollars.

There was also another surprise, that day or another day, my wife went to the bank to withdraw money, she usually withdraws more money and gave me some, that day she gave me 80 dollars. It happened that the total amount of money I gave the beggar was 80 dollars. I joked with my wife that I gave out 80 dollars and got 80 dollars back. Thank the Lord. He gave me another little surprise.

Message from this, there is miracle for small coins, there is no miracle for bigger coins. Poor will experience Lord's provision, the Lord moved my heart to give to the poor. Small and humble will experience the Lord, the Lord gives grace to the little, to the humble.

Proverbs 19:17 Whoever is kind to the poor lends to the Lord, and he will reward them for what they have done.

Luke 6:20 Looking at his disciples, he said: "Blessed are you who are poor, for yours is the kingdom of God.

God is kind, merciful to the poor, including beggars. I gave money to a beggar, and God gave me little miracle to encourage me. Thank God for the surprise.

Matthew 5:3 "Blessed are the poor in spirit, for theirs is the kingdom of heaven. Blessed are the poor in spirit, blessed are the humble, blessed are the little, for theirs is the kingdom of heaven.

The LORD gave us a medium size pan we wanted

We had a medium size pan which was broken, so we would like to buy a new one. We went to a couples of stores to look for a suitable one. I showed a couples of pans in the stores to my wife, she said she would like to buy a pan whose top and bottom is whole piece and it lasts longer, but we could not find one in the store.

Sometimes later we invited a few brothers, sisters and friends to our place for dinner, one of our friends gave us a pan which is exactly what we wanted, same size, top and bottom is one piece. This friend bought whole set of pans and gave us one. Thanks the LORD, he provided us what we needed through this friend.

Healing after prayer

The Lord led me to pray for the healing of different people. In 2020, a sister had a polyp on a part of her body. There was pain nearby. She once told me that she had so much pain that she wanted to go away, and she also had hurts in another part of the body. She had to do a biopsy, and she was afraid that she got cancer or pre-cancer. She asked me to pray for her. After praying, the pain went away short time later. The biopsy result was also normal. I was thinking to ask her

how she was the next day. She told me that day beforehand that the pain went away and the biopsy was normal. At the beginning of this year, she had head dizziness and stomachache, and the Lord healed her after prayer. Thank the Lord, all glory to the Lord.

Another sister had pain in her right wrist due to moving things. She asked me to pray for her. After some time, I asked her how the pain was. She told me that the pain was totally gone the day before, she was thinking to tell me that day and I asked her first instead. She had periodontal swelling and pain in February this year. After praying, she was healed and thank the Lord and glory to Him.

The following is the Bible promise.

Mark 16:17-18 17 And these signs shall follow them that believe; In my name shall they cast out devils; they shall speak with new tongues; 18 They shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover.

Here it says that signs will be with those who believe, they lay hands on the sick and the sick will be healed. This is my experience. I pray for the sickness of different people, the Lord heal them, thank the Lord.

James 5:14-16 14 Is anyone among you sick? Let them call the elders of the church to pray over them and anoint them with oil in the name of the Lord. 15 And the prayer offered in faith will make the sick person well; the Lord will raise them up. If they have sinned, they will be forgiven. 16 Therefore confess your sins to each other and pray for each other so that you may be healed. The prayer of a righteous person is powerful and effective.

This is what Bible teaches. If someone is sick. He should ask the elders of the church to pray for him, confess your sins to one another and pray for each other, so that you can be healed. Some sickness is because of sins, and some is not. If it is because of sins, should confess sins to each other and pray for each other so that the sickness can be healed.

Lower back pain healed after prayer

One Friday morning, when the pastor of our church got up in the morning, he found that he got bad lower back pain, He could not stand or sit, he could only lie down, he had to ask another pastor to preach in the church the next day. After he told us, I prayed for him every day, the following Sunday, we had online church meeting and he told us that his lower back pain was totally gone. He said that it was gone on Wednesday, i.e. the lower back pain was completely healed within a few days. Thank the Lord and glory to Him.

Healing after prayer

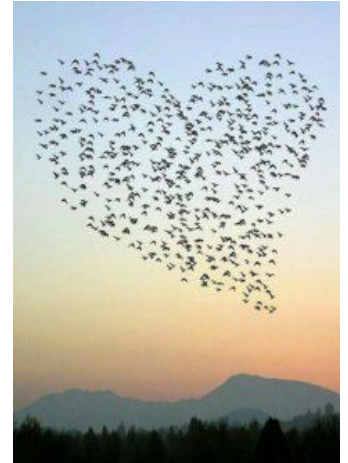

Two sisters had stomach pain, they got healed fast after prayer. One of the two sisters got chest pain after healing of stomach pain, chest pain also gone after prayer. Thank the Lord, glory to His name.

God is love

One day, I would like to post a song on WeChat, and I would like to choose a song about God's love. I often choose songs from a list of songs of a WeChat official account. That day as soon as

I opened the songs list, the second song in the list is “Jehovah is Love”. I would like to choose a song about God’s love, and I found the song right away. thank the Lord.

God’s love wants everyone to repent and turn to Him. After a person believes and is baptized, the Lord’s presence is with the person, and the life with the Lord’s presence is an abundant life. After the person is baptized, he or she needs to continue drawing near to God, so that God will draw near to him or her. Lord Jesus said: The thief comes only to steal and kill and destroy; I have come that they may have life, and have it to the full. (John 10:10)

Heart beat too fast got better after prayer

One day, a sister we know told me that she knows a sister whose heartbeat is too fast sometimes, and she felt uncomfortable. Because her son is studying here, she accompanies her son and did not buy insurance. After prayer, the next day it was much better. Her blood pressure and heart rate have been normal after that. Thank the Lord, glory to Him.

Pain in body healed after prayer

One day a brother told me that he has pain in his body. He has the pain for two weeks and he asked me to pray for him. I prayed for him from time to time, sometime later I asked him whether there was any improvement, he told me that it is much better. Thanks for Lord, glory to his name.

Teeth infection and pain healed after prayer

One day, a sister caught a cold and had sputum in her throat. She got a lot better a couple of days after prayer. Not long later the cold was completely healed. Then she told me that she had dental infection and pain. She asked me to pray for her. After prayer, not long later she had no more dental infection and pain. Thank the Lord, glory to His name.

Blessed are those who obey

Luke 11:28 Blessed rather are those who hear the word of God and obey it.

Here we see that the Lord will bless those who obey. This is my experience too. In 2017 the Lord led me to share gospel to my high school classmates using WeChat. I obeyed. Not long later the Lord led me to pray for the sickness of people, one of my high school classmate had lower back pain, I prayed for him and the next day he told me that his lower back pain was healed, up to now some healings took place, some complete healing, some partial healing. Thanks the Lord, glory to

His name.

John 14:21 21 He that hath my commandments, and keepeth them, he it is that loveth me and he that loveth me shall be loved of my Father, and I will love him, and will manifest myself to him. Here we see that those who obey, those who love the Lord will be loved by the Father and the Son, and the Lord will manifests to them. This is my experience too. It is always my desire to love the Lord, to obey Him, to do His will, to pray, to draw near to Him, to seek His face. I experience the Lord to be presence with me, to be close to me and manifests himself to me. Thanks the Lord.

John 15:7 If you abide in me, and my words abide in you, ask whatever you wish, and it will be done for you.

The Lord answer prayers of those who obey, those who love the Lord, those who abide in Him.

Lower back pain was healed after prayer

One day, a colleague came to my office. He told me that he had lower back pain. I asked him what happened. He said he didn't know either. I was thinking whether I should pray for him. The next day I passed by his office and he told me again that he had lower back pain. I asked him whether I should pray for him. He said yes. Later I laid hands on his lower back and prayed for him. After a while, he said it was better, I laid hands on him again and prayed for him. The next day I saw him and asked him how many percent better. He said 50% better. He said that he could not stand straight the day before, and now he can stand straight. Later, he was getting better every day. After a week, he told me that he was 80%~90% better. The week after that he said that he was 95% better. Later he was completely healed. Thank the Lord, glory to His name.

God listens to children's prayers

A few years ago, the pastor and his family wanted to apply for immigration. To immigrate in our province, French is required. Our Pastor's wife went to French school to learn French. Her French is not very good. One time she needed to take the French exam, her younger son prayed for her and he prayed that she would get 100 marks. Later she really got 100 marks. God listened to children's prayers.

I shared the above testimony on WeChat. A few days later, I attended the Bible study in the Church. The pastor shared the same thing. He shared that God listens to children's prayers. He prayed when he was 5 years old and God listened to his prayers. He also mentioned that his younger son used to pray when he was small and God listened to his prayers. Thank God.

The Bible says: Then people brought little children to Jesus for him to place his hands on them and pray for them. But the disciples rebuked them. 14 Jesus said, "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these." (Matthew 19:13-14)

Dream about our senior pastor who already passed away

In 2019, I had a dream, in the dream our senior pastor who already passed away showed me writing notes for Bible verse, writing note, more note. Next picture in the dream was that young coworkers are serving the Lord, reminding me that I should serve the Lord. A few days later in the church our pastor was talking with a few of us, he also shared about notes, he mentioned about someone's notes on bible verse.

I wrote notes for Bible verses before, sometimes didn't know what to write, Thank the Lord for his leading and help, now I write more notes for Bible verses, you can go to my gospel site to see the messages I wrote at <http://mhsharing.com/category/messages-en/>

Hebrew 12:1 Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles. And let us run with perseverance the race marked out for us, Here it talks about cloud of witness surrounding us, I heard messages revealed from Lord Jesus that saints in heaven pray for us, sometimes the Lord allows them to appear in our dreams, that is what I experienced.

Arm numbness gone after prayer

A friend who came to our church told me that there was numbness in his left arm, I prayed for his arm once for a while, then I asked him how he felt, he told that there was no improvement. One Sunday I met him in the church, I prayed for him and continued praying for him in the following days, I met him again the following Sunday, he told me that the arm numbness was gone. Thanks for Lord, glory to His name.

Headache and head dizziness healed after prayer

One day a Christian couple invited us for dinner in their home. When we had conversation during meal, we learned that the sister had headache problem for some time, then I asked her whether I should pray for her for healing. She said yes, I prayed for her headache before leaving their home, then continued to pray for her. Not long later we learned that her headache was gone. Thank the Lord, glory to His name.

My sister had head dizziness. I prayed for her for some time, then she told me that her head dizziness was gone. There is an old brother in our church who also had head dizziness. After praying for him for some time, the head dizziness was gone too. Thank the Lord for His healing, glory to His name.

May the Lord's love be with you

There is a chat group in WeChat, group members consist of some brothers and sisters in our church and some brothers, sisters and friends who used to attend our church and now work in different places. A few days ago I would like to post a song in the group called "May the Lord's love be with you". We used to sing the song "May the Lord's love be with you" in the church,

when we said farewell to brothers and sisters in the church. Now we still sing occasionally when we don't say farewell to someone. That day when I was thinking to post it, the Lord reminds me the picture on the right side with water running down forming love "shape". Interestingly the lyrics of the song also talked about Lord's love like water running down, and the picture on the right hand side was downloaded some time ago. Thank the Lord for His encouragement.

Headache, head dizziness was healed after prayer

One of my high school classmate in WeChat classmate chat group told me that she had headache, head dizziness and foot pain problem, she asked me to pray for her. After prayer, I asked her how she felt, she said that she will be healed with prayer. I continue praying for her, I asked her later about the head dizziness and foot pain, she said much better. Thanks the Lord for His healing, glory to His name.

We see earlier in Mark 16:16-18 that signs will accompany those who believe. That is healing will accompany those who believe, those who have faith. Healing not just accompanies special people, but those who believe. In the Bible Lord Jesus healed people all the time. Healing is also very common in the early church. Jesus Christ is the same yesterday, today, and forever. He still heals.

Headache was healed after prayer

One day my wife and I went to visit an old couple. They are old brother and sister. The old sister's health is not very good. I asked her whether she has any health problems which I can pray for her. She told me that she had headache and other problems. She had unbearable headache, I prayed for her from time to time. Later I talked to her over the phone and knew that she had no headache. Thanks the Lord for healing her headache. Glory to His name.

Sharing messages experiences Lord's encouragement

One Saturday I shared: "Command the disciples to preach the gospel to the whole world Mark 16:14-20", I quoted the following verse:

I am going to send you what my Father has promised; but stay in the city until you have been clothed with power from on high." (Luke 24:49)

Here we see that after the resurrection, Lord Jesus told the disciples to stay in the city before going out to preach the gospel, waiting for the Holy Spirit promised by the Father. When they received the Holy Spirit, they would receive the power from on high. We see that the early church had great power, it was normal to see miracles, healing the sick and casting out demons.

That Saturday, we had church meeting, pastor mentioned the following verse in his sermon:

But you will receive power when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth. (Acts 1:8)

It talks about the same thing, that is, the disciples received the power from on high after receiving the Holy Spirit.

The pastor also talked about a couple who shared the gospel on the street during the pandemic.

They wore T-shirts with following scripture written on them: Come to me, all you who are weary and burdened, and I will give you rest. This is exactly the same verse I shared the previous Tuesday. Sunday evening, I sang hymns with guitar to worship the Lord. I saw the same verse in the songbook: Come to me, all you who are weary and burdened, and I will give you rest. Thank the Lord for his encouragement.

A few days ago I updated my gospel website for three topics, two of which are: draw near to God, God will draw near to you (James 4:8) and born again, talking about when a person believes and is baptized, he will receive the Holy Spirit, he becomes a new person. Right after I finished the update, I went to WeChat and found two posts from a brother talking about the same thing, namely draw near to God (James 4:8) and new life, new person. thank the Lord.

Back pain, lower back pain healed after prayer

A Christian sister had back pain and lower back pain problem. I prayed for her, after some time she told me that her lower back pain was healed. Later I met her and knew that her lower back pain was healed, but back pain was not healed yet. I continued praying for her, later knew that her back pain was also healed. Thanks the Lord, glory to His name.

After a person is born again, the person receives the Holy Spirit, connects with the Lord. The Lord is the vine; we are the branches. We need to constantly abide in Him so that we can bear fruit. Healing is fruit. We need to constantly connect to the Lord in order to bear fruit.

My allergy with eyes itchiness was healed by the Lord

I had allergy with my eyes itchiness for many years. Every year I have eyes itchiness between spring and autumn, I have to use eye drop for some time to stop the itchiness. But in the past year I didn't have eye itchiness through prayer. There is a person who attended our church; he also had eye itchiness every year. I prayed for him for some time and his eye itchiness was healed by the Lord. The Lord also healed my eye itchiness. Thanks the Lord, glory to His name.

Healing through prayer

One of my high school classmates had lower back pain problem. I prayed for him, the Lord healed his lower back, the pain was gone the next day. A lady attended our church had headache problem, the headache was severe. I prayed for her from time to time. Now she has no more headache Thank the Lord, glory to his name.

My wife back pain was gone after prayer

My wife had back pain problem for a few years. In 2016, her back pain got worse and she had to stop working, went for sick leave for a few months and got treatment. Her back got better after that. In 2018 she got back pain again, she got back pain when going to sleep, had problem sleeping like what happened in 2016, she was afraid that she had to go for sick leave again. That evening she had pain and could not fall asleep, I prayed for her and the pain was gone. Thanks the Lord for his mercy and healing. Glory to His name.

Experience Lord's leading in choosing song and sharing

One day on my way home I was thinking to share a song on WeChat on thanking the Lord, two or three days later, when I looked for a song in a hymn account on WeChat, soon I found a song called “thanksgiving”, it was the first time I listened to that song, later I shared the song on WeChat. thank the Lord.

The week before I shared the verse John 14:6 Jesus answered, I am the way and the truth and the life. No one comes to the Father except through me, when I read the android Bible on my cell phone two days earlier, the same verse appeared to me on the screen. That day I read a message from the Lord, it mentioned the same thing.

Not long earlier, I shared on “Matthew 6:31-33 31 So do not worry, saying, ‘What shall we eat?’ or ‘What shall we drink?’ or ‘What shall we wear?’ 32 For the pagans run after all these things, and your heavenly Father knows that you need them. 33 But seek first his kingdom and his righteousness, and all these things will be given to you as well”. A couple of days later, when I listened to the audio Bible, I heard the Bible verses on seeking first God’s kingdom and righteousness. thank the Lord.

Sharing on “draw near to God, He will draw near to you”

One day I shared a short message on WeChat on “draw near to God, He will draw near to you.” quoting James 4:8. I shared it on Saturday, the following day on Sunday, the Pastor in our church shared the same message “draw near to God, He will draw near to you.”. Later I was thinking to listen to prayer quiet time music on YouTube. The first verse came up in the video was also “draw near to God, He will draw near to you”. Thank the Lord.

A true story about Psalm 91

And here is a true story about Psalm 91

In the second World War, there was a regiment of 900 men, And the commander of the regiment had the men say Psalm 91 every single day before they did anything, going out to war. Every single day. 900 men. While other regiments were in the battles and were being wounded and killed, during the entire world war, not one single man in this regiment was wounded or killed. Not even one!!! Out of 900 men! That should tell you, dear ones. GOD honors this prayer with tremendous angelic protection.

Psalm 91

¹ Whoever dwells in the shelter of the Most High will rest in the shadow of the Almighty. ² I will say of the Lord, “He is my refuge and my fortress, my God, in whom I trust.” ³ Surely he will save you from the fowler’s snare and from the deadly pestilence. ⁴ He will cover you with his feathers, and under his wings you will find refuge; his faithfulness will be your shield and rampart. ⁵ You will not fear the terror of night, nor the arrow that flies by day, ⁶ nor the pestilence that stalks in the darkness, nor the plague that destroys at midday. ⁷ A thousand may fall at your side, ten thousand at your right hand, but it will not come near you. ⁸ You will only observe with your eyes and see the punishment of the wicked. ⁹ If you say, “The Lord is my refuge,” and you make the Most High your dwelling, ¹⁰ no harm will overtake you, no disaster will come near your tent. ¹¹ For he will command his angels concerning you to guard you in all your ways; ¹² they will lift you up in their hands, so that you will not strike your foot against a stone. ¹³ You will

tread on the lion and the cobra; you will trample the great lion and the serpent. ¹⁴“Because he loves me,” says the Lord, “I will rescue him; I will protect him, for he acknowledges my name.¹⁵ He will call on me, and I will answer him; I will be with him in trouble, I will deliver him and honor him. ¹⁶With long life I will satisfy him and show him my salvation.”

Now coronavirus spreads in different countries, hope more people turn to God, pray to God and pray psalm 91 with faith to ask God to protect you from this virus.

Amazing Grace

One day, during my lunch break, I took a walk and was singing “amazing grace” silently. When I came back from walk, I saw a post in WeChat, a brother posted the song “amazing grace” which is a link from Facebook. I updated my Facebook account and posted some testimonies, messages and songs, after completed postings, I opened YouTube, found the song “amazing grace” again. Thank the Lord.

1 Chronicles 16:23-25 23 Sing to the LORD, all the earth; proclaim his salvation day after day. 24 Declare his glory among the nations, his marvelous deeds among all peoples.

25 For great is the LORD and most worthy of praise; he is to be feared above all gods. We need to sing to the Lord, worship the Lord, praise the Lord, the Lord desires our worship.

See the love of God

One day I took a day off from work and stayed at home, it was cold outside but sunny. I didn’t turn on the heating at home, because of the warm sunshine. I would like to find a song to share on WeChat, then I came across this song — “See the love of God”. The first sentence of the lyrics is: I see the love of God in the warm sunshine. It is interesting, it is sunny outside, I found the song about seeing the love of God in warm sunshine. Thank God.

About Trinity

After I attended the church for some time, I found it difficult to believe that Jesus is God. One day I was walking on McGill campus (next to our church), someone passed me a gospel track. I read it and found the verse in Isaiah 9:6 For to us a child is born to us a son is given and the government will be on his shoulders, and he will be called Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace.

Then I believe that Jesus is God, He is God manifests in the flesh.

One Sunday. I talked with a pastor in our church concerning trinity, then I went back home with my wife by walk. We continued talking about trinity, I also talked about the experience I had at McGill campus, interestingly, we were walking on the McGill camp at that moment, the place

the sister used to pass me the gospel track is very close to us, only a few meters away. Thank the Lord for the experience in the past and also in the present.

Experience the Lord's leading in choosing songs

One day, I was thinking to post a song on WeChat called "The Lord is my strength". It is interesting that the wife of the pastor in our church also chose the same song "The Lord is my strength" during song worship. When I chose the song, I didn't know that she chose the same song. thank the Lord.

Later, a sister in China asked me to send her the song "The Lord is my strength". She used to live in Montreal and attended our church, her family now works in China. I also sent her another two songs, one called "I look up to the mountains", this song also mentioned that the Lord is my help; the other song called "Blessed is he that is trusting the Lord".

While I was brushing my teeth the next morning, my wife told me that a brother posted a message about the Lord is my strength and help, which is exactly the same message I sent with songs to that sister, that is, the Lord is my strength and help, thank the Lord!

A couple of weeks later, during Sunday worship Pastor's wife chose the song "Blessed is he that is trusting the Lord". She did not know that I posted this song on WeChat a few days earlier. Thank the Lord!

Life is fragile

Many years ago I went to our sister church in Vancouver. There is a sister in the Vancouver church, she is a very good sister, she had a good service in the church, she is from Hong Kong. One day she was on the phone, and she just fell down and passed away. She was only in her thirties and there was no sickness. Life is really fragile; we can't guarantee we are still alive tomorrow.

In 2018 one of the pastors in our Toronto church had nasopharyngeal cancer, and later he went for chemotherapy. The church constantly prayed for him, and in 2019 he went to see the doctor to have a checkup and found that the cancer was healed. What the doctor found was only a scar tissue in his body. From time to time he came from Toronto to preach in our Montreal church. Thank God for hearing our prayer. One Canadian MP (the member of the parliament) had the same cancer, and he passed away some time earlier. We know that many people in the world passed away because of covid-19, life is really fragile and not in our hand.

The Lord Jesus said in the Bible that he came to give life to the sheep, to give them abundant life. When a person believes in the Lord and is baptized. He will receive the Holy Spirit and have the presence of the Lord, that is the beginning of an abundant life.

Soon after I wrote the testimony above, I came across a message on WeChat. This message also mentioned that after a person believes and is baptized, the Lord will give him living water, that is abundant life.

Prayer meeting sharing

One Sunday it was my turn to share during the prayer meeting. Before the sharing, pastor led a song. Before he chose the song, I already opened the song book to the song he chose, I didn't know he chose that song and there are many songs in that song book. Thanks the Lord.

Interpretation on Sunday

I need to interpret our pastor's preaching on Sunday from time to time. Usually he sends his message to me by email Saturday late at night. I need to read his message to do some preparation for the interpretation Sunday morning. It happened at least twice that I set the alarm for Sunday morning and when I woke up and opened my eyes, it was exact time I set the alarm.

The Lord led me to write songs

I got the melody of a song many years ago, then I wrote the lyrics and left it aside. At the end of 2020, I had a dream, in the dream a brother I knew many years ago came to visit us, he played the songs he wrote, then I told him I also wrote a song and I sang the song to him, I remembered the lyrics in my dream, then we walked and talked, then I heard the song written by our pastor which was the only song he wrote, then the brother told me about another brothers whom I also knew, he wrote many songs, and he told me that this brother has gone to Africa, meaning that I should write songs. When I woke up the next day, I thought that maybe the Lord wanted me to write songs, later the Lord confirmed that. So I edited the melody and the lyrics of the 1st song I wrote many years ago, then started to write 2nd song and I completed quite fast. So far I have written some songs. Thank the Lord.

Headaches healed after prayer

A sister told me that another sister had a very severe headache with dizziness, vomiting and tinnitus. It had been a while, and she didn't have a family doctor. She asked me to pray for her. I prayed for her often. Nine days later, she told her that she had no more headache the previous day. Thank the Lord for his healing, glory to the Lord.

High blood pressure and lower back healed after prayer

A sister told me that a customer in her store is an elderly person. She went to her store and talked with her. She said that her blood pressure had been very high since the previous Tuesday, and the high blood pressure had reached almost 200. Maybe the heart felt uncomfortable either. She asked me to pray for her high blood pressure and the heart. She is a Catholic. I prayed for her often, and she went to the hospital to see a doctor exactly one month later and learned that her blood pressure was normal. She was very happy, thank the Lord, glory to the Lord.

That sister working in her store told me that her lower back was uncomfortable from time to time and asked me to pray for her. I often prayed for her. Also exactly one month later, she told me that her lower back was much better. Thank the Lord.

Chest pain after vaccination got healed after prayer

A sister told me that a brother in the Lord she knew had constant chest pain after the second shot of the Pfizer vaccine, and asked me to pray for this brother. About one month later, she asked the brother's wife and learned that this brother's chest pain was much better, thank the Lord. The first miracle the Lord Jesus performed was to turn water into wine. He didn't intend to perform it, but because of the request of his mother Mary, the Lord Jesus did it anyway. Here we see the importance of Mary's intercession.

Is anyone among you sick? Let them call the elders of the church to pray over them and anoint them with oil in the name of the Lord. (James 5:14)

Here James told the sick to ask the elders of the church to pray for them so that they may get healed. The Lord Jesus revealed to a sister that we can still ask his mother Mary to intercede. This sister testified that after she asked Mary to intercede, her life changed greatly. As mentioned earlier, I prayed for the brother's chest pain. I also asked Mary, the mother of Jesus to intercede, and it really worked. We can ask pastors, brothers and sisters to pray, we can also ask Mary to pray. We are not praying to Mary, we just ask her to intercede, to pray for sick. Just as we can ask pastors and brothers and sisters to intercede, we can also ask Mary to intercede, may all glory be to the Lord.

Songwriting Testimony

I wrote a song called "God Cares for You". Not long after I wrote it, I found a sister sharing a scripture in a WeChat group: Cast all your anxiety on him because he cares for you. (1 Peter 5:7) and a brother shared the scripture: Commit your way to the Lord; trust in him and he will do this. (Psalm 37:5) The lyrics of the song I wrote also use these two verses, thank the Lord.

The same sharing

It has happened many times that after the pastor of our church preached, in the following week when I read the Bible or read other messages, I came across the same scriptures that the pastor quoted or the same topic he shared. One Sunday, the pastor mentioned the Lord's Prayer in his sermon. The day before, on Saturday, I shared a song I wrote on WeChat called the Lord's Prayer. Another Sunday, the pastor mentioned the parable of the rich man and Lazarus in his sermon, and I shared a short message about the parable on WeChat the previous Saturday. I shared this parable on my gospel website as well. One Saturday I shared the song "As the deer" which I wrote on WeChat, that Saturday we had the church meeting and the song that Pastor's wife led was another version of "As the deer", thank the Lord.

Another testimony of writing a new song

One Sunday my wife and I went out for a walk and I was humming the song "How high is the sky above the earth" and I would like to write a song about this topics, I had a few melody ideas and I recorded them, the lyrics of the song is from Psalm 103. I read Psalm 103 on Monday and Tuesday, and prepared the lyrics. Recently, I listened to the book of Psalm in the Bible from beginning to the end every morning. On Wednesday morning, it so happened that I listened to

Psalms 103. Thank the Lord for his encouragement, and then I completed writing the song quite fast, thank the Lord.

Other testimonies about the song

One Saturday, I posted a song I wrote on WeChat, the song is called "Praise God who gives us strength," with lyrics from Psalm 73:

“Whom have I in heaven but you?
and earth has nothing I desire besides you.”

I took a walk downstairs in the basement in the evening and wanted to listen to a song from a hymn account on WeChat. As soon as I opened it, I found the song called "Besides you". The lyrics also quoted from Psalm 73, thank the Lord. The next evening after I finished writing the above testimony, I went downstairs for a walk, opened the same hymn account on WeChat, and found a song called "The Persistence of life". After listening, I found that the lyrics of the song quoted also from Psalm 73 about "Besides you", next evening I listened to YouTube songs "the string of praise" on TV, "the string of praise" choir happened to sing the song "Besides you", thank the Lord. I hope that the lyrics of the song become reality in our lives, that is we put loving the Lord first in our lives.

Other testimonies concerning writing songs

I was preparing the song "Love the Lord", the lyrics of the song quoted the Bible verse, Love the Lord will keep his commandment, listened to a sister's message, that message quoted the same verse, love the Lord will keep his command, thanks the Lord.

I was preparing the song "Love the Lord with all your heart", that morning I read the Bible and came across the same verse "Love the Lord with all your heart"

I just wrote the song "not by power" the lyrics quoted the verse "my grace is sufficient for you, my power is made perfect in weakness", listened to a sister's message about sickness, the message quoted the same verse.

One Saturday morning, recorded the song "Love one another", that day went to church, the Pastor's wife chose a song which is another version of the "Love one another"

I was recording the song "Seek the Lord while he may be found", lyrics came from Isaiah 55, in the morning when I read the Bible, I came across the same passage in Isaiah 55, thanks the Lord for His leading and encouragement.

My wife's back pain got healed after prayer

My wife got back pain again and it was a bit serious. I prayed for her earnestly and also asked the mother of Jesus Mary to intercede, the next day my wife's back pain got healed, thank the Lord, glory to him.

Headache and stomach ache got healed after prayer

One Saturday we had church meeting and I knew that a non-Christian friend had headache, I asked her whether I should pray for her, she said yes. After some time I knew that her headache got healed. Thank the Lord. Also I prayed for a sister's stomach ache and the Lord healed her after some time, glory to the Lord.

I saw Lord Jesus in my dream

I had a dream, in my dream my wife was with me, and I was floating and moving above the ground on the same level for some distance, I was floating not too height above the ground. The next theme was that I saw Lord Jesus in the front of me talking with a few people and I didn't say anything, the Lord Jesus looked shorter than me, after a while, he became taller, but the picture was blur. After a while I asked him a question: Should I prepare an emergency bag to take away in case of emergency, but I got no answer. Actually we already had an emergency bag prepared with passport and important documents inside. I didn't know what this meant. Later I read messages about preparing an emergency bag for the time of emergency in the last days. I know in heaven we can fly, and I also know that the Lord can change his appearance and size. Thank the Lord for the dream.

Believe in the Lord Jesus, you and your household will be saved

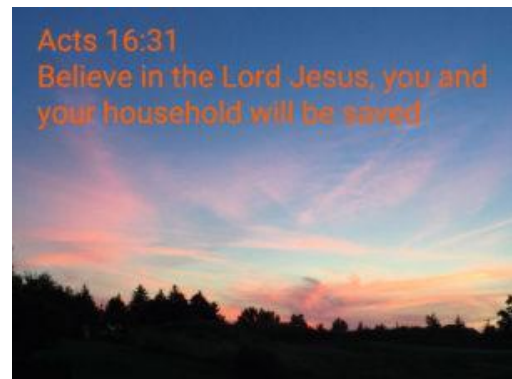

Acts 16:30-33 ³⁰ He then brought them out and asked, "Sirs, what must I do to be saved?" ³¹ They replied, "Believe in the Lord Jesus, and you will be saved—you and your household." ³² Then they spoke the word of the Lord to him and to all the others in his house. ³³ At that hour of the night the jailer took them and washed their wounds; then immediately he and all his household were baptized.

Here we see that the jailer asked Paul and Silas what he must do to be saved. They told him that he should believe in Lord Jesus, he and his family will be saved, then they shared the word of the Lord to him and his family. He and his family believed in the Lord and were baptized, they were baptized and born again. But what does believe or faith mentioned here mean?

Now faith is confidence in what we hope for and assurance about what we do not see. (Hebrews 11:1)

What does faith mean in the Bible? This verse tells us the meaning of faith. Faith is the certainty of what we hope for, and assurance of what we do not see. Earlier we saw that the jailer's family was baptized after believing in the Lord. The Bible says that those who believe and are baptized will be saved. A person who believes and is baptized is born again and saved and receives the Holy Spirit. The general principle is that a person receives the Holy Spirit at baptism. But there are special cases of receiving the Holy Spirit before baptism or after baptism.

The pastor of our church and his two brothers after they believed in the Lord and three of them decided at the same time to serve the Lord full time, and their parents were very opposed to this.

Their mother believed deeply in Buddhism, and many years later their parents also believed in the Lord. I witnessed their baptism. Thank God.

If you have not yet been to a church, I hope that you pray and ask the Lord to lead you to a suitable church. If you believe and have not yet been baptized, I hope that you will be baptized soon and let the Lord be the Lord of your life and the King of life, and you will receive the Holy Spirit and the Lord will be with you, you will be blessed by God.

May God bless you and your family.
